**ART IN FRAMES FOR EXCLUSIVE MEDICAL CLINICS**

# ART CONCEPT

## ABO UT

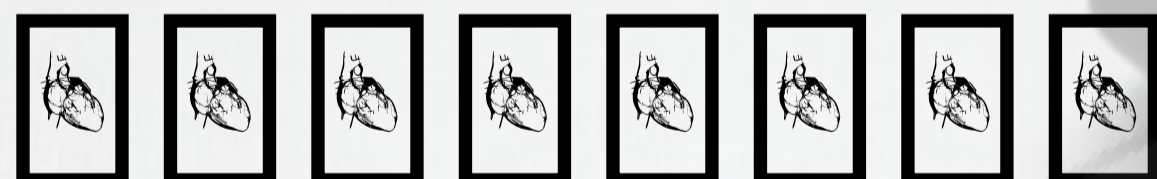

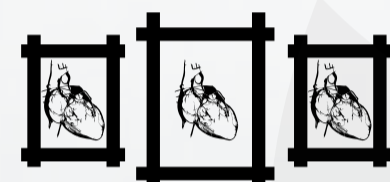

Artist Alicia Stanska, graduated from École Lesage Paris, creates hand-embroidered artworks depicting human anatomy, using all known haute couture techniques. This innovative approach draws on patterns derived from old medical drawings, merging scientific precision with artistic expression. Stanska's work transcends traditional embroidery, redefining it within the realm of contemporary art.

Alicia Stanska is a Maser embroiderer, recommended in Homo Faber Guide by Michelangelo Foundation part of a Richemont Swiss Group.

Her works are perfect decors for sophisticated private and public spaces with main motto: „Patience is luxury „

## Exhibition: **Auction for transplantology 2nd Edition | Warsaw**

The artist is currently working on the second edition of the Transplantation Auction, creating four artworks to be auctioned in January 2025, similar to the auction held in 2018.

2024

## **Exclusive ArtProcess**

This year, the artist created three commissioned paintings as exclusive artworks. She introduced innovations by using 24-karat gold threads, gold inlays, and further developing her technique to add even greater uniqueness to her works.

2023

## Exhibition: **Auction in Belotto | Warsaw**

In December 2023, the artist, in collaboration with the five-star Belotto Hotel in Warsaw, organised an exhibition of her works. The exhibition also featured 9 paintings that were put up for auction. An anonymous buyer purchased all the works related to the "Anatomicum" series..

2022

## Art•Exhibition: **Homo Faber Guide by Michelangelo Foundation | Venice**

The artist was invited by the Michelangelo Foundation to Venice for the Homo Faber Guide event. During a live demonstration show, she embroidered the piece of art, depicting a fusion of brain and heart, titled „PerfectBalance" This artwork marked the beginning of the "Anatomicum" series within the Art Medic'a concept.

2019-21

## **Exclusive ArtProcess**

For two years, the artist has been creating exclusive artwork on commission for a select group of clients. These unique pieces, crafted especially for them, have found their place in their exceptional collections.

2018

## Exhibition: **Auction for transplantology | Warsaw**

The artist created six unique embroidered-paintings, which were auctioned for the Foundation for Transplantology. The aim of this initiative was to raise funds for the purchase of specialised equipment for organ transportation.

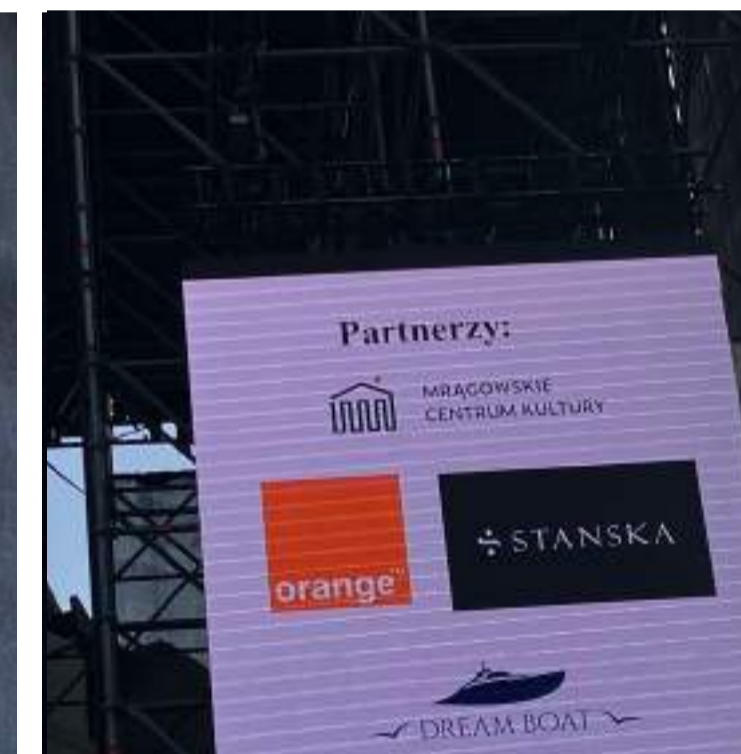

2016

## Art•Exhibition: **The most expensive product in the world. | Warsaw**

The Beginning of Art Medic'a in Mostra ArtGallery and Arkady Kubickiego / Warsaw. Educational events at which the artist presented 3 paintings 50 x 70 [cm] and life demonstration show, using the Luneville haute couture technique. Heart, Kidneys, Liver. Metallic threads with crystals on black silk.
